### Manage Purchase orders in Skanska Supplier Portal

Change orders

Skanska Sverige Inköp

Skanska Affärsstöd, mail: affarsstod@skanska.se; tel. 010-448 01 00

#### Content

- The document describes the handling of purchase orders in Skanska's Supplier Portal and via e-mail
- A Purchase Order can either be confirmed in full or a change order can be created
- Skanska wants acknowledgement of placed purchase order within 24 hours.

## Acknowledge order

### Notification new purchase order

Purchase Order 110431749 from Skanska Sverige AB, Buyer Testman, Peter, peter.testman@skanska.se

#### Description

This e-mail contains a purchase order from Skanska Sverige AB.

#### Action Required

1. Review purchase order in the attached ZIP file. Note that attachments may exist in ZIP file or in links below. 2. Accept the order using the link below.

#### Help

If you have questions about the purchase order contact Skanska's contact person shown in the purchase order.

If you need instructions on how to get the order details or how to create the order response, please contact Skanska Support at <u>affarsstod@skanska.se</u> or phone +46 10 448 01 00.

NOTE: The email contains an order pdf which gives the best overview regarding the content of the order.

As a contact person for handling orders, you will receive an email when a purchase order has been created.

NOTE: Skanska wants confirmation of the purchase order within 24 hours.

If you have a user account in our Supplier Portal, you acknowledge the order there. You can reach Skanska's Supplier Portal via the link to accept the purchase order.

If you do not have a user account, you accept the order by making an email order response, see later section.

## Identify orders in status pending acknowledgement

#### Supplier Portal

Search Orders V Order Number	0	
Tasks         Orders         • Manage Orders         • Manage Schedules         • Acknowledge Schedules in Spreadsheet         Shipments         • View Receipts	News to Supplier         Welcome to Skanskas Supplier Portal.         Here you can manage orders from Skanska Procurement System change or add user accounts using "Manage profile".         On Skanska's website, we have manuals available, showing you questions, please contact Skanska Business Support.         You can reach us at affarsstod@skanska.se       or by phone at +46	n and your prequalification. You're also able to how to navigate the portal. If you have any 10-448 01 00
Invoices and Payments  View Invoices View Payments Qualifications	Requiring Attention	Recent Activity Last 30 Days Orders changed or canceled 10
Manage Questionnaires     View Qualifications Company Profile Manage Disfile	3.27K	Orders opened     32       Receipts     1       Payments     1
Manage Prome	3K Orders to Acknowledge Schedules Overdue or Due Today	

Click on the number for orders that require attention. You will then reach all orders pending acknowledgement.

If you want to make a change to a previously acknowledged order, you can search for orders via Skanska's order number or use Manage orders in the left column.

To see the status of all orders go to Manage orders.

Orders pending order confirmation can be of two types, a regular purchase order and a new revision of a previously placed order. To see the contents of an order, select the line, select actions and View pdf.

If you have more than one order, you will come to this overview page. If you only have one order, you will go directly to that order.

# Acknowledge order in email

### Acknowledge order in e-mail

#### SKANSKA

#### Order Response

Order 110433682 Version 0

Choose any of the following options:

- Accept To accept order.
- Reject To reject order and leave a comment. This will be sent to the Buyer.

If you have any changes please contact the Buyer specified in the PDF attached to the email.

Accept Reject

If you do not have a user account in Skanska's supplier portal, you will be redirected to a website after you have clicked Accept Purchase Order in the e-mail.

Here you can accept or reject the purchase order.

NOTE: This scenario is only valid for supplier contacts who do not have a user account in Skanska's Supplier Portal

In a change order, supplier item, quantity, price and promised delivery date can be changed. Order lines can also be cancelled.

If there is a need to split an order line in two deliveries, this is done under schedules.

To complete the order change: Enter the reason for the change order in the description, do the updates and submit the change order

#### Cancel whole order
